

so that the product (including stabilizers, emulsifiers, or flavoring) resembles milk or any other fluid milk product, and contains less than 6 percent nonmilk fat (or oil).

**§ 1007.18 Cooperative association.**

*Cooperative association* means any cooperative marketing association of producers which the Secretary determines after application by the association:

(a) To be qualified under the provisions of the Act of Congress of February 18, 1922, as amended, known as the "Capper-Volstead Act;" and

(b) To have full authority in the sale of milk of its members and be engaged in making collective sales of, or marketing, milk or milk products for its members.

**§ 1007.19 Commercial food processing establishment.**

*Commercial food processing establishment* means any facility, other than a milk or filled milk plant, to which bulk fluid milk products and bulk fluid cream products are disposed of, or producer milk is diverted, that uses such receipts as ingredients in food products, and has no disposition of fluid milk products or fluid cream products other than those that it received in consumer type packages. Producer milk diverted to commercial food processing establishments shall be subject to the same provisions relating to diversions to plants, including, but not limited to, provisions in §§ 1007.13, 1007.41, and 1007.52.

HANDLER REPORTS

**§ 1007.30 Reports of receipts and utilization.**

On or before the 5th day after the end of the month (if postmarked), or not later than the 7th day if the report is delivered in person to the office of the market administrator, each handler shall report for such month to the market administrator, in the detail and on forms prescribed by the market administrator, as follows:

(a) Each handler, with respect to each of its pool plants, shall report the quantities of skim milk and butterfat contained in or represented by:

(1) Receipts of producer milk, including producer milk diverted by the handler from the pool plant to other plants;

(2) Receipts of milk from handlers described in § 1007.9(c);

(3) Receipts of fluid milk products and bulk fluid cream products from other pool plants;

(4) Receipts of other source milk;

(5) Receipts of bulk milk from a plant regulated under another Federal order, except Federal Orders 1005, 1011, and 1046, for which a transportation credit is requested pursuant to § 1007.82, including the date that such milk was received;

(6) Receipts of producer milk described in § 1007.82(c)(2), including the identity of the individual producers whose milk is eligible for the transportation credit pursuant to that paragraph and the date that such milk was received;

(7) For handlers submitting transportation credit requests, transfers of bulk milk to nonpool plants, including the dates that such milk was transferred;

(8) Inventories at the beginning and end of the month of fluid milk products and products specified in § 1007.40(b)(1); and

(9) The utilization or disposition of all milk, filled milk, and milk products required to be reported pursuant to this paragraph.

(b) Each handler operating a partially regulated distributing plant shall report with respect to such plant in the same manner as prescribed for reports required by paragraph (a) of this section. Receipts of milk that would have been producer milk if the plant had been fully regulated shall be reported in lieu of producer milk. Such report shall show also the quantity of any reconstituted skim milk in route disposition in the marketing area.

(c) Each handler described in § 1007.9(b) and (c) shall report:

(1) The quantities of skim milk and butterfat contained in receipts of milk from producers;

(2) The utilization or disposition of all such receipts; and

(3) With respect to milk for which a cooperative association is requesting a transportation credit pursuant to § 1007.82, all of the information required
